Colonel Tom L'Esperance states he sent the IA statistics to Jim Kenyon of the Valley News. We sent numbers from 2001 forward to include numbers of all IA cases, miscellaneous cases and Equipment cases. The Colonel also explains why the numbers are on the rise, partly due to the fact we have made it easier for the public and members to report. Nancy Goss Sheahan states we should make these numbers available to the public on an annual basis.

Nancy Goss Sheahan states that she was at the Burlington Marathon and that she was very impressed with the Troopers at the marathon.
