

0:0:0.0 --> 0:0:1.310

Neal, Barbara

Just yet.

0:0:1.860 --> 0:0:2.800

Neal, Barbara

Don't believe.

0:0:5.920 --> 0:0:9.230

Neal, Barbara

But I I'm ready to get started if you are.

0:0:10.50 --> 0:0:11.420

Johnson, Soni

And I have started the recording.

0:0:12.860 --> 0:0:13.240

Neal, Barbara

OK.

0:0:13.250 --> 0:0:13.780

Neal, Barbara

Thanks, Sonny.

0:0:17.300 --> 0:0:24.830

Neal, Barbara

OK umm I am then calling this meeting of the public Safety Communications task force to order.

0:0:24.840 --> 0:0:26.570

Neal, Barbara

It is 1002.

0:0:27.150 --> 0:0:30.570

Neal, Barbara

On November 13th, 2023, and I'm Barbara Neal.

0:0:31.180 --> 0:0:38.950

Neal, Barbara

As a reminder, the meetings being recorded and the recording will be posted on the Task force web page following the meeting, and there's some mayor.

0:0:38.960 --> 0:0:39.530

Neal, Barbara

Good morning, Mike.

0:0:41.620 --> 0:0:42.60

Doenges, Mike

Good morning.

0:0:41.670 --> 0:0:44.840

Neal, Barbara

Let's start with the roll call of Task Force members.

0:0:45.790 --> 0:0:49.390

Neal, Barbara

If you could acknowledge by voice when I call your name Jen Morrison.

0:0:50.130 --> 0:0:50.590

Morrison, Jennifer

I'm here.

0:0:51.630 --> 0:0:52.120

Neal, Barbara

Paul white.

0:0:53.500 --> 0:0:54.300

White, Paul

I'm here as well.

0:0:55.240 --> 0:0:55.980

Neal, Barbara

Michael Wright.

0:0:57.110 --> 0:0:57.350

Wright, Michael

Here.

0:0:58.680 --> 0:0:59.530

Neal, Barbara

Mike Dungeness.

0:1:0.540 --> 0:1:1.820

Doenges, Mike

Here, just in time for the roll call.

0:1:3.360 --> 0:1:4.360

Neal, Barbara

Ron kummetz.

0:1:5.310 --> 0:1:5.920

Ron Kumetz (Guest)

I am here.

0:1:7.120 --> 0:1:7.940

Neal, Barbara

And Jim Mack.

0:1:9.480 --> 0:1:9.740

James Mack  
Here.

0:1:11.90 --> 0:1:11.600

Neal, Barbara  
All right.

0:1:11.610 --> 0:1:12.360

Neal, Barbara  
Good morning.

0:1:12.930 --> 0:1:19.460

Neal, Barbara

Also joining us is Sonny Johnson this morning, filling in for Kelly Audette as our administrative support.

0:1:20.20 --> 0:1:24.230

Neal, Barbara  
And let's see who else we have on the line.

0:1:26.640 --> 0:1:28.810

Neal, Barbara  
Umm Steven would occur.

0:1:29.240 --> 0:1:29.560

52b62201-371d-4f70-9739-54e4bfb1ada4  
When you.

0:1:28.820 --> 0:1:30.10

Neal, Barbara  
Would you like to introduce yourself?

0:1:31.500 --> 0:1:33.600

52b62201-371d-4f70-9739-54e4bfb1ada4  
Uh, you did already.

0:1:34.390 --> 0:1:35.900

Neal, Barbara  
OK. Fair enough.

0:1:36.570 --> 0:1:38.220

Neal, Barbara  
And Richard Townend.

0:1:40.70 --> 0:1:40.210

Richard Townend  
Yeah.

0:1:40.460 --> 0:1:41.290

Richard Townend  
Morning, Richard town.

0:1:41.300 --> 0:1:42.710

Richard Townend  
And with Altair's technology partners.

0:1:44.100 --> 0:1:45.110

Neal, Barbara  
Good morning.

0:1:45.220 --> 0:1:46.60

Neal, Barbara  
Thanks for joining us.

0:1:47.950 --> 0:1:51.760

Neal, Barbara  
Let's move to approval of the agenda.

0:1:51.830 --> 0:1:55.760

Neal, Barbara  
So the agenda was distributed to Task Force members by email.

0:1:55.770 --> 0:1:58.200

Neal, Barbara  
It's also available on our website.

0:1:58.670 --> 0:2:24.40

Neal, Barbara  
I I would like to modify the agenda item related to the big RFP response evaluation and bitter questions to also include a discussion of a recently discovered procedural concern related to the most recent RFP posting and how the task force should address that concern.

0:2:25.390 --> 0:2:30.460

Neal, Barbara  
So I think it would just be a matter of adding the words and procedural concern to that agenda item.

0:2:32.280 --> 0:2:37.620

Neal, Barbara  
Are there any other changes to the agenda from Task Force members?

0:2:41.510 --> 0:2:43.40

Neal, Barbara  
OK, OK.

0:2:43.50 --> 0:2:44.300

Neal, Barbara  
So with that change?

0:2:44.600 --> 0:2:54.300

Neal, Barbara

Umm, so we will add the discussion of the procedural concern to that agenda item is I make that motion that we add that is there a second.

0:2:55.380 --> 0:2:55.780

Morrison, Jennifer

2nd.

0:2:55.620 --> 0:2:56.160

James Mack

2nd.

0:2:57.100 --> 0:2:57.630

Neal, Barbara

OK.

0:2:57.680 --> 0:2:58.550

Neal, Barbara

Any discussion?

0:3:0.220 --> 0:3:5.170

White, Paul

I'm just confirming it's your intent that that additional discussion also take place in executive session.

0:3:7.70 --> 0:3:8.250

White, Paul

OK. OK.

0:3:6.140 --> 0:3:10.200

Neal, Barbara

Yes, I think as it's related to contractual issues, yes.

0:3:10.230 --> 0:3:10.430

White, Paul

OK.

0:3:14.440 --> 0:3:15.150

Neal, Barbara

OK.

0:3:15.300 --> 0:3:20.660

Neal, Barbara

All in favor of that, that, that change to the agenda, please raise your hand and or say aye.

0:3:21.250 --> 0:3:21.470

Morrison, Jennifer

Aye.

0:3:22.520 --> 0:3:22.840

James Mack

All right.

0:3:22.350 --> 0:3:28.20

Neal, Barbara

I I see all hands including rons uh voting in favor.

0:3:29.860 --> 0:3:31.410

Neal, Barbara

Of that agenda change.

0:3:31.660 --> 0:3:35.510

Neal, Barbara

OK, so let's move to public comment.

0:3:37.400 --> 0:3:40.790

Neal, Barbara

We I see we have two potential speakers for public comments.

0:3:40.800 --> 0:3:44.830

Neal, Barbara

So I think a 5 minute comment time is probably an order.

0:3:45.540 --> 0:3:46.270

Neal, Barbara

Steven Whittaker.

0:3:48.840 --> 0:3:49.740

52b62201-371d-4f70-9739-54e4bfb1ada4

Uh, yeah, I'm here.

0:3:51.620 --> 0:3:52.410

52b62201-371d-4f70-9739-54e4bfb1ada4

You want me to go first?

0:3:51.480 --> 0:3:53.320

Neal, Barbara

Which care to comment? Sure.

0:3:53.840 --> 0:3:57.140

52b62201-371d-4f70-9739-54e4bfb1ada4

But yeah, I think that I wanna.

0:3:58.900 --> 0:4:1.160

52b62201-371d-4f70-9739-54e4bfb1ada4

I've sent most of you.

0:4:3.510 --> 0:4:11.240

52b62201-371d-4f70-9739-54e4bfb1ada4

Some comments this morning on how I think that y'all need to approach asking the right questions of the vendors.

0:4:11.650 --> 0:4:24.390

52b62201-371d-4f70-9739-54e4bfb1ada4

We don't really know if any of these vendors are prepared to do what Vermont needs in my informed view because of the deficiencies of the RFP.

0:4:25.430 --> 0:4:55.560

52b62201-371d-4f70-9739-54e4bfb1ada4

Uh, I've spoken to folks, experts and the deficiencies of the RFP have resulted in people not putting their best foot forward and that's gonna come back to haunt us in many ways unless we get over it in the process of these interviews, I think we need to acknowledge the deficiencies of the RFP, the fact that it didn't deal with in building coverage.

0:4:55.570 --> 0:5:5.420

52b62201-371d-4f70-9739-54e4bfb1ada4

It didn't deal with the integration and cost effective integration of LMR and LTE design that it didn't deal with.

0:5:7.260 --> 0:5:10.740

52b62201-371d-4f70-9739-54e4bfb1ada4

Pilot projects as a proving ground for strategies.

0:5:12.340 --> 0:5:49.560

52b62201-371d-4f70-9739-54e4bfb1ada4

I think we need to acknowledge that in order to open up space for the subject matter experts, potential vendors to put their best foot forward, even if it wasn't what we asked for in the RFP, you know you need to think about asking the different vendors where what cost efficiencies or what revenue potential is there from integrated design of LMR, LTE even fixed wireless are there, you know roaming revenue that could help support this LMR infrastructure in the long run.

0:5:50.210 --> 0:5:53.660

52b62201-371d-4f70-9739-54e4bfb1ada4

Uh, and do we do?

0:5:53.850 --> 0:6:0.630

52b62201-371d-4f70-9739-54e4bfb1ada4

Do we treat dense buildings of which Vermont is full of as dead zones?

0:6:1.110 --> 0:6:13.90

52b62201-371d-4f70-9739-54e4bfb1ada4

In effect, do we treat them with the same priority and the same urgency for both LMR and LTE penetration as we do a dead zone out in the middle of a state forest?

0:6:13.960 --> 0:6:16.40

52b62201-371d-4f70-9739-54e4bfb1ada4

Umm, I would argue that this.

0:6:17.450 --> 0:6:33.410

52b62201-371d-4f70-9739-54e4bfb1ada4

Process of interviewing these candidates and getting their best ideas about how they can best serve our needs, even if it isn't what we asked for in an RFP, it now is the time to do that, umm.

0:6:33.550 --> 0:6:35.840

52b62201-371d-4f70-9739-54e4bfb1ada4

Otherwise, we're gonna sell ourselves short.

0:6:35.970 --> 0:6:44.500

52b62201-371d-4f70-9739-54e4bfb1ada4

We're gonna compromise this, and I I think, uh, they say Vermont is the land of Green Mountains and missed opportunities.

0:6:45.450 --> 0:6:48.10

52b62201-371d-4f70-9739-54e4bfb1ada4

Let's kind of break that curse here.

0:6:49.790 --> 0:6:52.230

52b62201-371d-4f70-9739-54e4bfb1ada4

On that note, I'll stop.

0:6:54.960 --> 0:6:55.470

Neal, Barbara

OK.

0:6:55.480 --> 0:6:57.10

Neal, Barbara

Thank you for your comments, Steven.

0:6:57.920 --> 0:7:2.100

Neal, Barbara

Is there anyone else from the public that would like to offer comments this morning?

0:7:7.300 --> 0:7:10.960

Neal, Barbara

OK, seeing and hearing nothing.

0:7:11.20 --> 0:7:16.460

Neal, Barbara

Uh, let's move on to the legal RFP status.

0:7:18.880 --> 0:7:19.60

Morrison, Jennifer

Sure.

0:7:16.790 --> 0:7:19.230

Neal, Barbara

Jen, do you wanna update on where we are with that?

0:7:20.0 --> 0:7:29.490

Morrison, Jennifer

Yep, that got reposted last week and it's open for, I believe, four weeks with questions due in about another 10 days.

0:7:29.500 --> 0:7:47.250

Morrison, Jennifer

I don't have the dates right in front of me and this time we had some of our legal friends in state government forward it to their association groups and the Vermont Bar Association and others hoping, hoping to get a little bit wider coverage and knowledge that this RFP is out there.

0:7:47.440 --> 0:7:54.350

Morrison, Jennifer

As you know, the initial posting was for two weeks and it netted us zero bids.

0:7:54.480 --> 0:8:4.970

Morrison, Jennifer

And so with the advice of procurement, we are opening it up for a longer period of time and trying to spread the word to people who might be interested.

0:8:6.340 --> 0:8:6.940

Morrison, Jennifer

That's the update.

0:8:7.960 --> 0:8:8.200

Neal, Barbara

OK.

0:8:9.280 --> 0:8:11.600

Neal, Barbara

Any questions from Task Force members on that?

0:8:15.210 --> 0:8:25.460

Neal, Barbara

Art that brings us to the next item on the agenda, big RFP response evaluations, bidder question development and the change we made at the beginning.

0:8:25.470 --> 0:8:33.500

Neal, Barbara

The discussion of this procedural concern, all of which I believe should be held in executive session.

0:8:34.30 --> 0:8:41.240

Neal, Barbara

So as we've gone through many times before, we know there's two steps to moving into executive session.

0:8:41.890 --> 0:8:48.750

Neal, Barbara

The first is to find make a finding about the need to do so.

0:8:48.760 --> 0:9:8.210

Neal, Barbara

So step one is a motion that I will make that the sharing of information about bitter presentations and responses publicly would put the task force at a substantial disadvantage and making a decision about awarding a contract to the successful bidder for the big RFP.

0:9:8.220 --> 0:9:11.30

Neal, Barbara

In this case, is there a second?

0:9:14.220 --> 0:9:14.630

James Mack

2nd.

0:9:14.80 --> 0:9:14.920

Morrison, Jennifer

Sir, I'll second.

0:9:14.620 --> 0:9:15.740

Neal, Barbara

I see Jen.

0:9:15.750 --> 0:9:16.10

Neal, Barbara

Yep.

0:9:17.440 --> 0:9:18.60

Neal, Barbara

Thank you, John.

0:9:18.210 --> 0:9:19.110

Neal, Barbara

Is there any discussion?

0:9:22.90 --> 0:9:22.580

Neal, Barbara

OK.

0:9:22.850 --> 0:9:25.400

Neal, Barbara

All in favor of this finding?

0:9:25.410 --> 0:9:28.360

Neal, Barbara

Please indicate by raising your hand and or saying aye.

0:9:30.440 --> 0:9:33.310

Neal, Barbara

See all Task Force Member hands are up.

0:9:33.320 --> 0:9:35.70

Neal, Barbara

Thank you, including Ron.

0:9:35.380 --> 0:9:46.950

Neal, Barbara

So that finding has been made and the next step is to make a motion which I will make to move into executive session rather for the purpose of this.

0:9:46.230 --> 0:9:47.140

52b62201-371d-4f70-9739-54e4bfb1ada4

Hey, Barb.

0:9:47.190 --> 0:10:3.790

52b62201-371d-4f70-9739-54e4bfb1ada4

Barb, can I interrupt before you go into your second motion, cause the procedural issue you haven't identified and that it the existence of that isn't the subject to that's public knowledge and it shouldn't be kept secret.

0:10:3.850 --> 0:10:4.540

52b62201-371d-4f70-9739-54e4bfb1ada4

Or what?

0:10:4.590 --> 0:10:14.10

52b62201-371d-4f70-9739-54e4bfb1ada4

That is that you're adding to the agenda that acknowledgement of that issue should be done in public session, even if the resolution to it is done in executive session.

0:10:15.400 --> 0:10:15.750

52b62201-371d-4f70-9739-54e4bfb1ada4

Thank you.

0:10:14.710 --> 0:10:25.360

Morrison, Jennifer

I think we will discuss that in executive session and if that is the the, the finding, we will say so at the end of executive session, but we're not going to discuss that prior to executive session.

0:10:28.720 --> 0:10:29.60

Neal, Barbara

I agree.

0:10:31.660 --> 0:10:32.530

Neal, Barbara

Task force members.

0:10:32.540 --> 0:10:33.370

Neal, Barbara

Any other discussion?

0:10:36.760 --> 0:10:38.570

Neal, Barbara

OK. Umm.

0:10:40.260 --> 0:10:40.620

Neal, Barbara

So.

0:10:40.20 --> 0:10:42.590

Morrison, Jennifer

So you made the motion to go into executive session.

0:10:43.390 --> 0:10:43.890

James Mack

Checking in.

0:10:42.600 --> 0:10:44.100

Morrison, Jennifer

I will second that motion.

0:10:46.680 --> 0:10:47.130

Neal, Barbara

OK.

0:10:44.600 --> 0:10:47.740

Morrison, Jennifer

Yep, I'll give it to Jim this time, Sonny, I like to be fair.

0:10:47.180 --> 0:10:49.310

Neal, Barbara

Jim has seconded the motion.

0:10:49.780 --> 0:10:54.310

Neal, Barbara

All in favor, raise your hand or signify by saying aye.

0:10:54.840 --> 0:10:58.890

Neal, Barbara

Alright, I see all task force member hands are up, although I don't see Ron.

0:11:1.290 --> 0:11:1.540

Morrison, Jennifer

Yeah.

0:11:1.550 --> 0:11:1.950

Morrison, Jennifer

There you go.

0:11:1.840 --> 0:11:2.400

Ron Kumetz (Guest)

There it is.

0:11:1.430 --> 0:11:2.820

Neal, Barbara

Ron has raised his hand.

0:11:3.0 --> 0:11:5.220

Neal, Barbara

OK, so I will move.

0:11:5.310 --> 0:11:8.280

Neal, Barbara

We will move now into the executive session.

0:11:8.730 --> 0:11:17.330

Neal, Barbara

Sunny, we have notified members of the public in the past when we return, when we return to regular session, we'll do that again today.

0:11:19.620 --> 0:11:21.550

Johnson, Soni

Yes, I have Stevens information.

0:11:21.560 --> 0:11:28.20

Johnson, Soni

But Richard, if you want to be advised, umm, if you could give me a number to text you at if that works.

0:11:31.160 --> 0:11:33.640

Johnson, Soni

You can just put it in that meeting chat.

0:11:34.400 --> 0:11:36.410

Richard Townend

Yeah, I'm in the midst of doing that now.

0:11:36.600 --> 0:11:36.920

Richard Townend

Thank you.

0:11:36.920 --> 0:11:37.350

Johnson, Soni

OK.

0:11:37.520 --> 0:11:37.820

Johnson, Soni

Thank you.

0:11:37.950 --> 0:11:39.690

Neal, Barbara

We'll see everyone in executive session.

0:11:39.700 --> 0:11:40.110

Neal, Barbara

Thank you.

1:6:25.740 --> 1:6:26.200

Neal, Barbara

OK.

1:6:26.900 --> 1:6:31.950

Johnson, Soni

I emailed Steven Whittaker because that's the contact information that I have.

1:6:32.210 --> 1:6:32.430

Neal, Barbara

OK.

1:6:34.720 --> 1:6:35.180

Morrison, Jennifer

I do.

1:6:32.320 --> 1:6:37.660

Johnson, Soni

If somebody happens to have his phone number and wants to text him, that would be great that way.

1:6:36.950 --> 1:6:40.320

White, Paul

He he I don't think he doesn't receive texts.

1:6:40.830 --> 1:6:41.50

Morrison, Jennifer

No.

1:6:40.330 --> 1:6:42.520

White, Paul

I don't know what he has for phone service, but he doesn't text.

1:6:43.40 --> 1:6:43.310

Johnson, Soni

Ah.

1:6:44.950 --> 1:6:48.550

White, Paul

He uses some Google phone or what it is but.

1:6:51.590 --> 1:6:53.940

Morrison, Jennifer

Alright, well I've sent a text to the number I have on file.

1:6:54.570 --> 1:6:54.900

Johnson, Soni

Right.

1:6:53.950 --> 1:6:55.180

Morrison, Jennifer

So he if he gets it, great.

1:6:54.30 --> 1:6:55.460

White, Paul

Yeah, you're right.

1:6:55.510 --> 1:6:56.410

White, Paul

You tried, right?

1:6:54.910 --> 1:6:57.480

Johnson, Soni

And I've emailed them, so Yep, OK.

1:6:58.320 --> 1:6:58.640

Neal, Barbara

OK.

1:7:1.140 --> 1:7:1.570

Morrison, Jennifer

There he is.

1:7:1.260 --> 1:7:1.790

Neal, Barbara

Oh, there he is.

1:7:1.990 --> 1:7:2.400

Johnson, Soni

There he is.

1:7:7.350 --> 1:7:7.900

Neal, Barbara

OK.

1:7:8.290 --> 1:7:11.460

Neal, Barbara

And Sonny, I noticed that you started the recording again.

1:7:11.200 --> 1:7:11.980

Johnson, Soni

I did, yeah.

1:7:11.530 --> 1:7:23.110

Neal, Barbara

So we're we're good, we're back in the public session and I believe we have a motion to come out or a motion that resulted from the executive session, Jen.

1:7:25.540 --> 1:7:44.590

Morrison, Jennifer

Uh, yes, so there will be a motion in here I might have to rephrase it, but out of an abundance of caution, we have learned that the term reposted was not clearly understood by all interested vendors and because we want to be as inclusive as possible and as fair as possible.

1:7:45.460 --> 1:7:55.740

Morrison, Jennifer

The motion is to cancel the existing RFP and reissue the RFP for the minimum required time of five business days.

1:7:56.580 --> 1:8:6.110

Morrison, Jennifer

That is the motion I would like to put a hard stop there and say we truly want all 5 vendors who have previously submitted bids to participate.

1:8:6.480 --> 1:8:10.480

Morrison, Jennifer

You should see a new RFP and receive an email later today.

1:8:11.510 --> 1:8:20.730

Morrison, Jennifer

Further, at the last meeting of this body, we scheduled a meeting for the purpose of going into executive session to hear presentations from vendors on Friday.

1:8:21.120 --> 1:8:24.630

Morrison, Jennifer

Those meetings are cancelled, as is the meeting on Friday.

1:8:25.160 --> 1:8:30.560

Morrison, Jennifer

All vendors will receive an email later today with clear instructions on the path forward.

1:8:31.980 --> 1:8:37.60

Morrison, Jennifer

Including future dates for presentations.

1:8:37.450 --> 1:8:44.290

Morrison, Jennifer

So the motion is to cancel the existing RFP, reissue the RFP for the minimum required time of five business days.

1:8:44.520 --> 1:8:45.200

Morrison, Jennifer  
Do I have a second?

1:8:46.920 --> 1:8:47.370

James Mack  
2nd.

1:8:47.80 --> 1:8:47.440

White, Paul  
Check it.

1:8:52.420 --> 1:8:54.640

Morrison, Jennifer  
Any discussion from the task force?

1:8:58.480 --> 1:8:59.850

Morrison, Jennifer  
Alright, Barb, I'll take this vote.

1:9:0.330 --> 1:9:0.590

Neal, Barbara  
OK.

1:8:59.860 --> 1:9:2.780

Morrison, Jennifer  
All those in favor say aye, or raise your hand.

1:9:2.590 --> 1:9:3.160

Neal, Barbara  
I.

1:9:5.700 --> 1:9:5.970

Ron Kumetz (Guest)  
Bye.

1:9:8.780 --> 1:9:8.890

Neal, Barbara  
Yes.

1:9:6.60 --> 1:9:8.930

Morrison, Jennifer  
Ron's hand is up to very good.

1:9:10.320 --> 1:9:11.130

b9967c81-9d35-4850-98ec-ade011abea01  
Put tonight.

1:9:11.140 --> 1:9:12.70

b9967c81-9d35-4850-98ec-ade011abea01

Raise a point of order.

1:9:12.80 --> 1:9:14.100

b9967c81-9d35-4850-98ec-ade011abea01

Did you ever vote to come out of executive session?

1:9:14.780 --> 1:9:15.220

Morrison, Jennifer

We did.

1:9:16.40 --> 1:9:16.860

James Mack

Yes, we did.

1:9:16.450 --> 1:9:19.20

b9967c81-9d35-4850-98ec-ade011abea01

Ohh that's before before the recording started.

1:9:19.30 --> 1:9:20.30

b9967c81-9d35-4850-98ec-ade011abea01

I didn't hear it, OK?

1:9:19.910 --> 1:9:21.590

White, Paul

No in executive session.

1:9:22.290 --> 1:9:22.540

Neal, Barbara

Right.

1:9:23.10 --> 1:9:25.260

b9967c81-9d35-4850-98ec-ade011abea01

And that has to be done in open session.

1:9:26.720 --> 1:9:26.950

Johnson, Soni

No.

1:9:26.460 --> 1:9:28.210

Neal, Barbara

I don't believe that's true, Steven.

1:9:28.260 --> 1:9:31.380

Neal, Barbara

I believe we're all in order here and I believe the next.

1:9:30.630 --> 1:9:31.910

b9967c81-9d35-4850-98ec-ade011abea01

No, you can't make any.

1:9:31.970 --> 1:9:34.280

b9967c81-9d35-4850-98ec-ade011abea01

You can't do any motions in executive session.

1:9:34.290 --> 1:9:36.900

b9967c81-9d35-4850-98ec-ade011abea01

That's why you come out first and make a motion to come out.

1:9:38.120 --> 1:9:38.290

Morrison, Jennifer

OK.

1:9:39.40 --> 1:9:39.320

White, Paul

All right.

1:9:35.980 --> 1:9:39.670

Johnson, Soni

Umm, we've never done it that way.

1:9:39.720 --> 1:9:40.610

Johnson, Soni

It's always.

1:9:40.620 --> 1:9:44.930

Johnson, Soni

That's the only thing you can do in executive session is to vote to come out of executive session.

1:9:47.120 --> 1:9:49.130

Morrison, Jennifer

At any rate, let's move forward.

1:9:49.250 --> 1:9:50.790

Morrison, Jennifer

Again, we have a path forward.

1:9:50.800 --> 1:9:56.40

Morrison, Jennifer

I have work to do and I think that leaves us with a motion to adjourn this public session today.

1:9:56.630 --> 1:9:57.220

Neal, Barbara

So moved.

1:9:59.200 --> 1:9:59.600

Morrison, Jennifer

Thank you.

1:9:59.460 --> 1:9:59.700

b9967c81-9d35-4850-98ec-ade011abea01

Umm.

1:10:0.80 --> 1:10:0.420

White, Paul

2nd.

1:9:59.610 --> 1:10:0.560

Morrison, Jennifer

Who would like to 2nd that?

1:9:59.540 --> 1:10:1.520

James Mack

Seconded second from Jim.

1:10:1.940 --> 1:10:2.220

Neal, Barbara

OK.

1:10:2.250 --> 1:10:2.930

Morrison, Jennifer

Thanks Jim.

1:10:3.900 --> 1:10:6.100

Neal, Barbara

And we must vote all in favor.

1:10:5.660 --> 1:10:6.600

Morrison, Jennifer

All those in favor?

1:10:9.260 --> 1:10:9.650

Morrison, Jennifer

Great.

1:10:9.900 --> 1:10:10.190

Ron Kumetz (Guest)

Hi.

1:10:9.960 --> 1:10:12.270

Morrison, Jennifer

Thanks Ron for putting your electronic hand up.

1:10:12.340 --> 1:10:12.880

Morrison, Jennifer

We are adjourned.

1:10:14.960 --> 1:10:15.190

Doenges, Mike

Bye.

1:10:14.190 --> 1:10:15.370

Neal, Barbara

Thank you very much everybody.

1:10:15.380 --> 1:10:15.510

Doenges, Mike

Buddy.

1:10:17.300 --> 1:10:17.510

Michael Wright

Bye bye.

1:10:17.500 --> 1:10:17.740

White, Paul

I.

1:10:16.930 --> 1:10:19.930

Ron Kumetz (Guest)

I need to figure out how to do an electronic clip parade wave.
