UNIFORM OFFENSE CODES

**SECTION 1--UNIFORM OFFENSE CLASSIFICATIONS IN THE OFFENSE (OFF),
ORIGINAL OFFENSE CODE (OOC), AND CONVICTION RESULTING IN
REGISTRATION (CRR) FIELDS**

The codes on the following pages are the NCIC Uniform Offense Classifications for use in the OFF, OOC, and CRR Fields.

When the offense codes (except as noted) are used, free text or easily understood abbreviations further explaining or describing the offenses may be entered in the Miscellaneous (MIS) Field or in positions 5 through 24 of the OFF Field.

When the offense is followed by the parenthetical wording "identify type of institution" or "specify conduct," free text describing the institution or specifying the actions which constitute disorderly conduct should be entered in the MIS Field or in positions 5 through 24 of the OFF Field.

When the offense is followed by parenthetical wording such as "identify weapon" or "identify object," entry of free text to describe same is optional in the MIS Field or in positions 5 through 24 of the OFF Field.

SECTION 2--OFFENSES OF GENERAL APPLICABILITY

When the substantive offense is conditioned by one of the following offenses of general applicability, the appropriate wording below (or easily understood abbreviations) must be placed in the MIS Field or in positions 5 through 24 of the OFF Field so the inquiring recipient of the record will know that the substantive offense has not been charged:

General Offense

Accessory After the Fact
Accessory Before the Fact
Aid/Abet
Assault to Commit
Attempt to Commit

General Offense

Conspiracy to Commit
Facilitation of
Solicitation of
Threat to Commit

SECTION 3--OFF, OCC, AND CRR FIELD CODES

In all positive responses containing a Wanted Person File record, the offense code will translate as set out with the exception of the parenthetical instructions. For example, in a wanted person record response where the offense is coded 0902, the translation will read "OFF/HOMICIDE - WILLFUL KILL - FAMILY - WEAPON". Positions 5 through 24 of the OFF Field may be used to further describe the offense. The free text will be provided in a response.
