Missing: Matthew Sullivan, Ryan Brady, Betty Wheeler

Call to Order 1003

Approve Minutes
Motion to approve august minutes by Mike Manley
Seconded by Steve
Approved unanimously

DPS Violent Crime Report Request
Part of Governor's 10-point plan. Want to be allowed to pull all data for entire state.
Incidents requesting: arson, assault, burg, homicide, sex offense, kidnapping, domestic violence, narcotics, robbery
Article 8 of VGB charter approves general info being released
DPS has asked for *common call type, city, street name (not number), date/time, weapon, incident code;* State is looking to map all incidents.
What is the state looking to get? Want to see the global picture for the state. Mike's understanding is that they are not going to be going through and attaching specific incidents per dot on map, want to try to track global picture of state.
Step 8 of the 10-point plan is to apply the pandemic playbook to public safety, data driven and get the resources where they are needed as soon as a trend is spotted. (Jim)
Motion from Mike – to approve DPS request
Seconded by Eric
Passed unanimously

Dispatch Call Types Report Request
Questions being asked from the regional dispatch center: what calls take time from the dispatch center? Who is answering those calls? Get an idea of where resources are going to be needed.

Motion to approve for public release a report for *call type and common call type* by Mark
Seconded by Vegar
Passed unanimously

Dispatch Call Volume Report Request
Motion to approve the release of *incident number, ORI name, common call type, and city* by Mark
Questions:
Eric – are we excluding locked or sealed incidents? Mark – because including only common call type and all IA would be "administrative"
Mike – what about drug investigations? Don't want to tip anyone off on ongoing investigations. Is there a way to exclude the drug task force, would that be possible? Vegar – if we remove it from the study shouldn't be much impact because they don't utilize dispatch services. Mark – should be able to

Mark – shouldn't need to actually include incident number

Amended by Mark – release *ORI name, common call type, city, excluding HQ (drug task force)*
Seconded by Vegar
Passed unanimously

USMS
At beginning Burlington PD was hosting multiple partners. USMS looking to have access under their own ORI. They have been approved by VCIC. Samantha Bischof was the PM at UVMPD before gong to USMS and would step into the PM role.
Motion by Jen – Allow USMS to have their own read only Valcour account under their own ORI.
Seconded by Mike
Passed unanimously

Motion to adjourn by Adam
Seconded by Michelle
Passed unanimously at 1036
